

ON ICE

Ice Technician's Report

Janet has completed her controlled melt, over the Christmas Break. You should expect the rocks to re-act a little differently for the first little while. You may not get the curl we were accustomed to, for the first couple of days. Bare with us, it will return, and hopefully be better than ever.

BONSPIELS

The Tories Rock Mixed Spiel is on January 21st. Let Christine Sallows know if you are interested.

The Lions Club Spiel is February 4th. There are forms on the bulletin board, if interested.

We have the Loonie Spiel coming up on February 18th, and the Kingsborough Mixed Spiel on February 25th. This is a true mixed spiel, with alternating male and female curlers. Get your team organized and sign up.

Our 11th season January 2, 2012

The New Year is here, and I hope you all had an enjoyable holiday season.

Over the season break, we hosted the Lake Spiel on December 27th. We had a full turn out for both draws. Murray Loverings team was first on the early draw and Alf Bards team won the second draw, and was the overall winner with 40 1/2 points. The team members were Alf, Bev

Bard, Sharlene Martin and Wayne Martin.

The League Reps have organized their second draws for the season. The skips have been notified of their team

members and all leagues begin again the week of January 2nd. We have signed on a few new members, so please make them welcome in our club.

We will be having an AED Course, before the end of January. I have posted a sign-up sheet, for it, so please put your name down if you are interested in taking this course. It is a 4.5 hour course, for CPR and

YOUTH CURLING

The Bantam Girls team was in Oshawa, at the TCA's, on December 29th and 30th. They managed to win two games out of five, and made a respectful representation of our club. Way to go girls.

The Boy's Bantam Team will be playing in Parry Sound this coming weekend. On January 13, 14, and 15, we are hosting the Bantam Zones for region 10. If you want to watch some good youth curling, come out to watch our young players.
