## Our 11th season January 23, 2012

The Tory Bonspiel, this past weekend was a huge success, with full teams, for both draws. Thanks to Christine and Ross Sallows, for the organization and great food.

We are still needing teams for our Loonie Spiel on February 18th and the Kingsborough on the 25th.

The Curl for the Curl needs three teams for

the early draw. Come on Ladies, let's get a team together and sign up. It is a fun filled day of curling and camaraderie.

The Bantam Boys and Bantam Girls teams were in Waterloo, this past weekend, for the Regions. They each won one of three games. Congratulations on making it to Regions.

Three members of our board of Directors, have been working on re-vamping our club bylaws. There is a binder, in the lounge, with a copy of proposed changes, along with the current bylaws. You are welcome to look over these proposed changes, and forward any comments to one of the committee members, Wayne Strangways, Kim Storey or Steve Skalitzky.

## YOUTH CURLING

The Youth program, at our club, is a very active program. We have over 30 little rockers and around 20 bantams in our club. On February 12th, we are having our **Spaghetti Dinner!** The funds raised from this event, go toward our youth program. You can curl 6 ends and have dinner, or have dinner and curl after, for \$10 for adults and \$6 for children. This is a FUN event!

Also if you happen to shop at Zehrs or any of their associated stores, No Frills, Loblaws, Fortino's etc, save your register tapes. Over the past few years, we have earned at least \$300 per year. Thanks again for your support!
