## Our First Annual Family Spiel a Great Success

Owen , Teryhn & Nathan curled with their family in Monday's Family Spiel. We had 2 draws with more than 64 curlers taking part. Some parents took instruction before their game; thanks to our bantam curlers for providing instruction. Our Little Rock Instructors, bantam curlers & their parents

made the event possible. Their participation & hard work made the event an enjoyable experience for all! Kudos(:

### *Curl for the Cure '10*

Our annual curl for breast cancer is fast approaching. Teams are all registered, re-sale of books is active, as is food donations & volunteering to help. Karen would like to see more donations of items or gift certificates to go on our raffle table. These donations go a long way to making our day a success. Thanks to the ladies who joined Brenda Kasperowitsch in the curl for the cure cutting & sewing bee. Sweet gifts!

### *Glenn is off to the Brier*

The Brier begins Sat. March 6 in Halifax. Glenn will be representing Ontario & closer to home, our club. If he is in the final game, Sunday March 14th, we will be hosting a 'House Party' & final game viewing at the club. Hope we can make a date!

*Night of Champions* is fast approaching. It is hard to believe we are entering our last month of curling. Top league teams will play off Saturday evening April 3rd. in our annual Night of Champs!

*Etiquette Watch:* Opposing skips please keep your broom off the ice when opposition is delivering.
